

## Country Strategy Paper for Moldova approved

Ministry of Foreign and European Affairs of the Slovak Republic approved a new strategic document for development cooperation with the Republic of Moldova - Strategy of the Slovak Republic for Development Cooperation with the Republic of Moldova for 2014-2018. The main goal of the Strategy is to support Moldova in building a stable, functioning, democratic state and improve the living conditions of its inhabitants.

The Strategy will be implemented within two sectoral priorities with the following specific objectives:

1. Good Governance:

- 1.1 Improve the performance of local self-governments and strengthen their significance in local and regional development
- 1.2 Strengthen the effective functioning of state administration and civil society

2. Water and sanitation

- 2.1 Improve the efficiency of the drinking water supply system, sanitation and waste management
- 2.2 Improve the environment and quality of life of inhabitants via

interventions in the area of water and sanitation

2.3 Increase environmental awareness and information in the area of protecting water resources
